Change May 2022
108. Environmental pollution related human diseases May 2022

SCIENTIFIC PAPERS / TALKS BY DR. H. PARAMESH

1. Clinical trial of L – Arginine as a mucolyte agent in obstructive airway diseases paper read in 17th National Convention at Bangalore 1979.
2. Abstracts compiled in Karnataka Medical Journal April – June 1979.
3. Osteogenesis Imperfecta – A case report. Karnataka Medical Journal vol. XIV – April June 1980
4. Disease pattern in low socio-economic population in a child health center – 4050 cases – 1979-80 submitted to the Bangalore City Health Corporation for better planning – 1981
5. Common fallacies in child care in a child health center at low socio-economic and educational status population – 20 fallacies submitted to Bangalore City
6. Measles Vaccination, a comment and letter to the Editor, Indian Pediatrics, Sept 1981
7. Watch for Hypertremia, Letter to the Editor – India Pediatrics Vol. 19, Aug 1982.
8. Prevalence of sugar intolerance in acute diarrhea of infancy and childhood, paper read at 2nd South Zonal Pediatric Convention at Mangalore, Nov. 1982
9. Management of bronchial asthma – review article, Karnataka Medical Journal May 1983
10. Types of dehydration in practice – Paper read in Tumkur 1984
11. Albers, Shoenberg disease – case report. Published in Karnataka Medical Journal
12. Clinical clues in diagnosis of streptococcal pharyngitis. Publ. Indian Journal of Pediatrics. March- May 1984
13. Electrolyte contents of various carbonated waters in use of oral hydration. Paper read in 2nd Annual CME Programme of Lakeside Education Trust, July 1984
14. Disease pattern in private practice of higher socio-economic population Nov. 1984
15. Hypertension in children – review article, souvenir of Lakeside Education Trust
16. Effectiveness of Nalidixic acid in bacterial diarrhea – Paper read in Asian Pediatric Convention in Kuala Lumpur, Malaysia Aug 1985
17. Physiologic basis of Resuscitation of the newborn. Publ in Souvenir of Lakeside Education Trust. 1986
18. Fever in children – parental understanding. Paper read in National Pediatric Convention. New Delhi Nov. 1986
19. Ideal Emergency Care Service. 3rd All India Convention of Private Hospital & Nursing Homes, Feb. 21st 1987

20. Upper Airway Obstructive disorder in children – Paper read in 6th State Pediatric Convention, Mangalore. Aug. 1987
21. Wheezing Child – Paper Read in National Convention of Respiratory Diseases in Calcutta. Dec 1987
22. Impact of family participation and education on neonatal morbidity and mortality
Paper read in Tokyo, Japan 6th Asian Congress of Pediatrics, March 27th – 31st 1988.
23. Critical care in children – an overview. Publ. In Karnataka Medical 1988. Diamond Jubilee.
24. Effective use of terbutaline aerosol with nebulizer in acute asthmatics – an OPD basis –
Paper read at the 8th Annual State IAP Conference on Sept 16th and 17th 1989 at Belgaum.
25. Use of human growth hormone and oxandrolone in Turner's syndrome – a case study –
paper read at the 8th Annual State IAP Conference. Sept 16th and 17th 1989 at Belgaum
26. Profile of acute severe asthma in private practice – paper read to the IMA Conference on
Oct 21, 1989 at Davangere
27. Hemotherapy in Medical Practice – Pediatric aspects. Paper read at the symposium on
hemotherapy organized by IMA Indian Assoc. of Pathologists and Microbiologists, Indian
Society of Blood transfusion, Karnataka on 07-10-89 at IMA auditorium, Bangalore.
28. Acute Epiglottitis. Paper read at the National Conference on Upper airway Disorders at
KEM hospital Bombay on Nov. 12th 1989, acute epiglottitis was also published in the
Journal of Pediatric Pulmonology Update Vol. 2. No. 3. 4th July – Oct 1989
29. Bronchial Asthma and Obstructive Airway Disorders. Paper read at the workshop on
Orientation of Pediatrician in the Management of ARI on 7th Jan. 1990 at Coimbatore.
30. Childhood tuberculosis – Talk given to the participants of the International Training Course
of the National Tuberculosis Institute, Bangalore on 22nd Jan 1990
31. Nalidixic Acid in Diarrhea – A clinical study. Paper Publ. In Karnataka Pediatric Journal,
Vol. 4, No. 1, 1990
32. Aetiology & Case Management Approach – talk given during the ARI Workshop at MR
Medical College. Gulbarga on 11th Feb. 1990. Also delivered the keynote address during this
time.
33. Guest lecture on Diagnostic approach and specific management of ARI on March 4th 1990 at
Lakeside Hospital
34. Acute Respiratory Tract Infection in infancy and childhood – talk given during the IMA
Bangalore Branch CME in Pediatrics on 10th March 1990
35. Exertion induced Asthma in children – A Clinical Profile – Paper presented during the 9th
State Pediatric Conference at Gadag on 22nd and 23rd Sept 1990 (Co-author- Dr. Samatha)

36. Use of Albuterol Aerosol by Inspirease in the treatment of Acute Bronchial Asthma – Paper presented at the 9th Karnataka State Pediatric Conference at Gadag on 22nd and 23rd Sept 1990 (Co-Authors – Dr. Maya, Dr. Samatha, Dr. Nazneen & Dr. Rajshree)
37. Television viewing in children and Adolescent behavior problems – Article printed in a private magazine “Madhyam” (Bangalore) in Sept 1990.
38. Recurrent Respiratory infections in children – Guest Lecture given at the IAP (Mysore city) on 25th November 1990
39. Aerosol therapy and Recent Concepts of Croup Syndrome – Paper presented on 10th and 11th Nov. 1990 at Madras during the National Conference on Pediatric Pulmonology & Tuberculosis.
40. Recurrent Respiratory problems in children – Paper presented during the 14th State Conference of the IAP Kerala Chapter on December 8th 1990, Calicut.
41. Recent advances in respiratory allergic disorders – Paper presented at the National IAP Conference at Hyderabad on 25. 1- 91
42. Management of Respiratory Disease – Talk at the CGHS meeting on 09-02-91 at Bangalore
43. Pediatric disorders in clinical practice – Talk given at the IMA Shimoga Branch on 17-02-91
44. Symposium on Pediatric Allergy – Indian Academy of Allergy at Manipal Hospital on 22-02-91 at Bangalore.
45. Acute respiratory infection in children – Paper presented at the IMA Kanakapura Branch on 03-03-91
46. Spectrum of Bronchial Asthma – a 10 year clinical analysis & prevalence of Bronchial Asthma in developing countries – is it on a rise? Papers presented at the 7th Asian Congress of Pediatrics at Perth, Australia from May 5th – 11th May 1991
47. Epidemiology of Bronchial Asthma in an Urban set up – Paper presented at the IMA academy of Medical Specialties at Mysore on 28th Sept 91
48. Oxygen therapy and its complications – an overview. Paper presented at the 3rd National Pulmonology and TB Conference at New Delhi on 5th Oct 91
49. Acute Respiratory Distress – Paper presented at the Nepal Pediatric Society Katmandu on 7th Oct 91
50. Acute respiratory distress – Paper presented at the Indian Association of Family Physicians at Gulbarga on 22nd Dec 1991
51. Update in Diagnosis & Management of Streptococcal infection in children and neonates. Paper presented at the National Conference of IAP at Nagpur on 12th Jan 1992

52. Contributed an Article “Respiratory Diseases in Children” in a Book – Rational Pediatric Practice for General Practitioners by Dr. Subhash .C. Arya, Published by the IAP in 1991
53. Recent Trend in the Management of Upper Airway Obstruction in Children. Article published in the Pediatric Clinics of India Oct. 92, Vol. 27, No. 4
54. Talk on Epidemiology – Symposium – Update in Bronchial Asthma – on Nov. 7th 92 at the 4th National Pulmonology Conference, Bangalore.
55. Paper published in Century Club Magazine and Snuggly Cub Bangalore on “Health tips to parents on Respiratory Problems in Children” Dec 1992
56. Talk on treatment of Non-Allergic Immunologic Lung Diseases during the National IAP Conference at Calcutta on Jan 17th 1993
57. Current Trend – Recurrent Respiratory infections at the CME of Bangalore Pediatric Society on March 9, 1993
58. Diagnosis and Management of croup Syndrome and inhalation therapy- Guest lecture delivered during the 5th Basant Lall Jayaswal Oration and Installation on 14th March 1993 at Nagur (Organised by IAP Nagpur Branch)
59. Management of Chronic Asthma – talk given during the inauguration of IAP Malnad Branch on June 20th 1993 at Shimoga.
60. Bronchial Asthma – Workshop for the General Practitioners conducted by the IAP Committee on CME at New Delhi on 17th July 1993
61. Guest Lecture on Airway Diseases – Pediatrician’s point of View on Aug 21, 1993 – Bangalore ENT Association, Bangalore.
62. Upper Airway Obstruction – During the Dr. A.B. Desai Oration at Anand, Gujarat on 5th Sept 1993
63. Lower Airway Obstruction – talk given during the Critical Care Conference at New Delhi on Oct 9th 1993
64. Spectrum & Diagnosis of Bronchial Asthma – talk given during the 5th National Pulmonology Conference at Coimbatore on Nov 26 – 27th 1993
65. Overview of recent knowledge on Bronchial Asthma in Infants & Children for practicing physicians – Article published in the bulletin of IMA Bangalore East Branch – Vol. 4/1, Dec 1993
66. Empyema & Bronchial Asthma. Guest lectures delivered at IAP Conference, Vidarbha division at Chandrapur on Jan 8 – 9, 1994
67. Pneumonias in Children: Diagnosis and Management, IAP Journal of Practical Pediatrics, January 1994.

68. Asthma Diagnosis and Management of Practitioners – at IMA, Bhadravati, February 27th 1994
69. Current Concepts in the Diagnosis and Management of Bronchial Asthma – Article published in the KPJ, March 1994
70. Diagnosis of Asthma in Children – talk given at Mangalore on March 12, 13th 1994
71. Acute Respiratory Infection in Children in India – Lecture delivered at Gangtok, Sikkim on 7th Sept 1994
72. Recurrent Respiratory Infection, Guest Lecture – IAP South Zone Conference, Oct 7th – 9th 1994 at Gulbarga.
73. National Pediatric Otolaryngology Conference at Kolar Oct 15 – 16, Stridor in Children – symposium.
74. Differential Diagnosis of Chronic Cough and Management of a Wheezy child including status asthmaticus during the Workshop on Respiratory Disease organized by IAP branch of West Bengal on 29th and 30th Oct 1994, Culcutta.
75. Empyema in Children, Diagnosis of Asthma in Children, 42nd IMA M P State Conference on Nov 12th and 13th 1994 at Raipur
76. Management of Acute Respiratory Infections in Children, 6th National Pediatric Pulmonology Conference, Kottayam on Nov 26th and 27th 1994
77. Wheezing in Children, National Conference of Indian College of Allergy and Immunology Dec 7th – 9th 1994 at Pune
78. Respiratory Disease in Children – IMA Chickballapur Branch, Chickballapur on 29th Jan 1995
79. Management of Chronic Asthma – CME on Indo US International Convention on Respiratory Disease and TB at New Delhi on Feb 11th 1995
80. Current Concepts and Management of Respiratory Problems in Children – IMA & IAP District Branch, Mandya on 25th Feb 1995
81. Seminar / Workshop on Pulmonology at IMA Raichur Branch on April 2nd 1995
82. Delivered a keynote address during the National Seminar on man, Industry and Environment on 6th April 1995 at Bangalore University on the topic of 'prevalence and spectrum of bronchial asthma in Children in relation to demographic changes in Bangalore
83. Delivered a lecture on environment and its effect on Human Health on World Health Day – 7th April 1995 at Chickmagalur, Karnataka
84. Guest Lecture on Effect of Demographic Changes of Bangalore on Health – YMCA save Bangalore meet on 28th May 1995

85. Science and Technology for Human Welfare – during the Seminar UN for a better World on 27th June 1995, Indian Institute of Science, Bangalore.
86. Contribute and article on the topic of Scenario of respiratory ailments in Children with particular references to asthma in Bangalore. Recent Trends in Aerobiology Allergy and Immunology, Sripad N Agashe. Oxford and IBH publishing 1994
87. Guest lecture on Current concepts in the assessment and management of bronchial asthma in Children, IAP Kanpur on 15th Oct 1995
88. Lecture on science, technology, industrialization, environment and disease at the Indian Science Congress Association on 26th Oct 1995 at Bangalore
89. Pollution Free India – Theme lecture at the IAP Karnataka State Annual Conference in Nov 1995 at Davangere
90. Radio talk on Childhood Asthma on 14th Nov 1995 at AIR, Bangalore
91. Management of Asthma in Children, National Conference of IAP at Mangalore, Jan 4th – 7th 1996
92. Status Asthmaticus – Standard Protocol – IAP intensive care group at the National Conference, Mangalore on Jan 7th 1996
93. Pollution and its Effects on Women and Child Health, lecture given at NMKRV College, Bangalore
94. Childhood asthma. Lecture given at IAP Hassan District Branch on 11th Feb 1996 at Hassan
95. Clinical Manifestation of stress in Children, Talk given at Shristi Foundation, Bangalore on 27th July 1996
96. Know Your City Club of Bangalore, 1st Aug 1996
97. Management of Acute Status Asthmatics, Clinical Evaluation / Correlation of Severity of Asthma. Lectures given at Goa Pediatric Society on Aug 4th 1996
98. (1) Recurrent Respiratory Infections (2) Pneumonias. Lecture given at IMA Belgum Branch on Aug 24th and Aug 25th 1996. (3) Current Concepts in the Management of Asthma. Postgraduate lecture at JN Medical College, Belgum.
99. Urbanization on Health – in particular bronchial Asthma. Dr. Gopalakrishna Memorial Oration at Shimoga on Sept 7th 1996
100. Evaluation of Child with Chronic Cough: Challenges in Diagnosis and Management.
 - Lecture given at IMA CGP refresher course at Kanpur on Sept 15th 1996
 - What is New in Management of Asthma? Lecture given to the postgraduate students Kanpur
 - A.J. Srivastava Memorial Oration – Airway Disease in Children. Kanpur

- Demographic Changes of a city and its effect on Health. Lecture given at Regency Hospital, Kanpur
101. Guest lecture on Chronic Asthma, IMA, Virajpet Branch (Coorg) on 6th Oct 1996
 102. Practical approach in the management of asthma in children, 13th Oct 1996 at IAP Tumkur district Branch
 103. Participating in the dialogue session on Management of Chronic asthma at the International Symposium: Advances in Pediatrics on Nov 29th 1996 at New Delhi
 104. Diagnosis and Management of difficult asthma. Aeroallergens and Pediatric Asthma. Lectures given at the National Pediatric Pulmonology Conference at Bombay on Sept 28th & 29th 1996
 - Management of Asthma and Acute severe Asthma – New Aerosol Devices, lecture given at the General Practitioners meet at Jaslok Hospital Mumbai
 - Prevalence of Asthma in Urban Areas
 105. Conducting Pulmonology workshop at the IAP Karnataka State Conference at Hubli on Dec 1st 1996
 106. Guest lecture on (a) Upper Airway Disease in Children. (b) Overview of Asthma in India, Symposium – Childhood Asthma 16th National Congress on Respiratory Disease, Dec 5th 1996, Bangalore
 107. Management of Upper Airway Disorders, National IAP Conference at Ahmedabad Jan 4th 1997
 108. Aerosol Therapy in Asthmatic Children, Talk given at Trivandrum Feb 8th – 9th Feb 1997
 109. Practical approach to the problem of the Chronic Cough in Children, talk given at the Central Government Health Services association meet on Feb 15th 1997 at Bangalore.
 110. Urbanization and its effect in health – rotary club of Mahadevapura, Bangalore district on March 4th 1997
 111. Inhalation therapy in respiratory diseases. Talk given at Pediatric Association of Bangalore on 16th March 97.
 112. Clinical profile of chronic cough in children. 9th Asian Congress of Pediatrics, Hong Kong – 23rd March 97- 28th March 1997
 113. Pediatric AIDS. Panel discussion on Mother and child HIV/AIDS. IMA Masters trainers in National IMA Aids control programme on 9th May 1997 at Bangalore.
 114. Environment & health. Lecture given on the occasion of World Environment Day on 5th June 1997 at Lakeside Hospital, Bangalore

115. Recruitment respiratory infections in children. Lecture given at IAP Hyderabad Branch on June 8th 1997.
116. Role of environment in pediatric health. IAP South Zone conference, Trichy on August 10, 1997.
117. Air quality and management. Karnataka Environmental Research Foundation on 23rd August 1997 at Bangalore
118. Respiratory infections in children. IMA Bellary on 24th August 1997.
119. Guest lecture on Aeroallergens in asthma. Child Trust Hospital, Madras on 7th Sept 1997.
120. Allergic respiratory diseases in pediatrics on 19th Sept 97 at BLDE College, Bijapur
121. Chronic profile of chronic cough 26th Sept 1997 at IAP Nasik.
122. Advances in pediatric management of asthma (Recent trend in the management of upper airway obstruction in children. 27 & 28th Sept 1997 at IAP Respiratory Chapter Conference at Aurangabad.
123. Chronic persistent asthma in children (Update on management) at national IAP Conference at Cochin on 8th Jan 98. b. Avoidance of triggers in chronic persistent asthma – 8th Jan 1998 at National IAP Conference at Kochi.
124. Consensus conference on management of asthma in children in India on April 17th 98 of PGIMER, Chandigarh.
125. Clinical assessment of acutely breathless child with special reference to acute asthma. IAP-BPS meeting in Bangalore on June 13th 1998.
126. Lecture on “Environmental pollution as a risk factor in asthma for school children”. XXII International Conference on Paediatrics, Amsterdam on August 11th 1998.
127. Prof. Somu’s oration in Nagpur on Pneumonias in children – Indian Scenario October 3rd 98.
128. Guest lecture on diagnostic dilemma of Tuberculosis October 4th 98. Nagpur.
129. Symposium on “Management of Asthma” at Bharatiya Vidya Bhavan, 25th Nov ’98, Bangalore.
130. Guest lecture on Spectrum and Prevalence of Asthma in India – ICEH, Dec 14th – 16th ’98, Bangalore.
131. Paper on environmental pollution and Haematological changes in Enteric fever – ICEH Dec 14 – 16 ‘ 98, Bangalore
132. Paper on “Air Pollution and its effects on Traffic Police Personnel” – ICEH Dec 14- 16’98, Bangalore.

133. Talk on “Asthma and air Pollution” – BMS college for women, Basavangudi – December 17th ‘98, Bangalore.
134. Talk on Asthma and Air Pollution – Vidyaniketan School, January 29th 1999.
135. Talk on Chronic Cough in Children – IMA Bangalore East – 35th CME Programme, April 29th 1999.
136. Environmental Health / Air Pollution mathematical modeling, UGC, South Zone Conference – May 18th 1999.
137. Stridor in Children, Indian Academy of Pediatrics, Bangalore Pediatric Society, 20th June’ 1999.
138. Pulmonary function in children, Indian Academy of Pediatrics, Bangalore Pediatric Society – 20th June 1999.
139. Lead Poisoning in Children, International Conference on Lead Poisoning in India, Bangalore, Feb 1999.
140. Hospital Waste Management in a midsize hospital in Bangalore. Workshop organized by Dept. of Health, Medical Education and Ministry of Environment and forest, Government of Karnataka.
141. Environment and Allergy in upper and lower respiratory tract. Association of otolaryngologists of India, bangalore Branch. March 26th 1999.
142. “Difficult Pneumonias” IAP – Respiratory Chapter , Karnataka State Branch 16th May 1999.
143. Co-ordinated Keypad symposium on respiratory infection in Children – 21st August 1999, H.A.L.Hospital, 23rd August 1999, lakeside Medical Center and Hospital.
144. Lecture on “Urbanization & Respiratory Problems” at a seminar on “Environment and Health” conducted by Carl Duisberg Association, Max Mueller Bhavan on September5, 1999.
145. “Evaluation of Cough in Children” – Paediatrics Today, September – October 1999, Page 479-483.
146. Summary of research study on urban lead exposure by Dr H.Paramesh, published in
 - Proceedings of International Conference on Lead Poisoning, Prevention and Treatment, Implementing a National Programme in Developing Countries – February 8-10’99, Bangalore. The George Foundation and WHO.
147. Guest Lecture on “ARDS in Children” at the National Conference of the Respiratory Chapter & IAP, West Bengal Chapter. Calcutta September 28, 1999.

148. Guest lectures on 1. Airway obstruction 2. Recurrent respiratory infection in children. 3. Current concepts in Management of Asthma and Bronchiolitis. 4. Pneumonias in Children at CME on Respiratory disease conducted by IAP Tripura State Branch, Agartala – 24th – 27th September 1999.
149. Immunisation for respiratory infections at the Xth Maharashtra State Conference of Iap, Nagpur – 30th & 31st October 1999.
150. Recent advances in the diagnosis and treatment of asthma at the Xth Maharashtra State Conference of IAP, Nagpur – 30th & 31st October 1999.
151. Guest Lecture on “Children’s Health” Childrens Day Celebrations – 16th November 1999. Also Chief Guest on the occasion at the Indian Institute of World Culture.
152. Guest speaker at the South Zone Conference of the IAP and Kerala State Annual Conference of the IAP on “Environment and Child Health” on 14th November 1999. Calicut.
153. Clinical profile of enteric fever and therapeutic response by Dr h.Paramesh at XVIII Annual Krantaka State Conference of IAP, Gulbarga.
154. Clinical profile of pneumonia in children and its treatment modalities by Dr H.Paramesh at XVIII Annual Karnataka State Conference of IAP, Gulbarga.
155. Environment and Child Health – Guest Lecture by Dr H.Paramesh at XVIII Annual Karnataka State Conference of IAP, Gulbarga.
156. Emission pollution on health – Guest lecture during workshop on “Vehicular Pollution” - - Confederation of Indian Industries, 11th February 2000, Hotel Ashoka, Bangalore.
157. Discussion on Clinical case scenarios, “Difficult Asthma” during meet the expert session at IAP/AAP/CME 2000, 4t – 6th February 2000, Mumbai.
158. Guest Lecture on “Recent advances in management of Asthma” & “Recurrent Respiratory tract infections” – 25th Annual Conference of IAP, 18th – 19th December 1999, Gujarat State Branch at Bhuj.
159. Lecture on “Environment pollution & Respiratory problems” – Platinum Jubilee Celebration, 15th – 17th December 1999, Mysore Medical College, Mysore.
160. Guest Lecture on “Asthma – Current Global Scenario” on Wednesday 3rd May , on “World Asthma Day at Auditorium, Lakeside Medical Center and Hospital, Bangalore.
161. Guest Lecture on “Childhood Asthma – How Different from Adult Asthma” at the

IV National Conference of the Indian Academy of Allergy, NAL Auditorium, Bangalore, May 05-07, 2000.

162. Presented scientific paper on “Increase in prevalence of asthma are pets the cause?” at the IV National Conference of the Indian Academy of Allergy , NAL Auditorium, Bangalore, May 05-07, 2000.
163. Participated in AIDS – (Pediatric) National Policy Making. Organized by UNICEF and NACO (National Aids Control Organization). Recommendations forwarded to IAP. 10-06-2000 and 11-06-2000 at Dominion Club, Bangalore.
164. Chief guest at Seminar on “Indoor Air Quality Awareness” organized by ASGRAE (American Society of Heating, Refrigeration & Air Conditioning Engineering, Indian Chapter) at Hotel Capitol, Bangalore on 23rd June 2000, & Guest Lecture on Environmental Pollution & Human Health during the seminar.
165. Participated as an Expert in Meet the Expert session on Childhood Asthma at South Pedicon 2000, XIV SZ conference of IAP, XXV Annual Conference of IAP – TNSB, 23-25 June 2000, Chennai.
166. Participated in World Millenium Kannada Conference and delivered the Keynote address on “Health Scenarion in Karnataka – Transfer of Technology”, held at Houston, Texas, USA from Septembber 1st – 3rd 2000.
167. Grand rounds, Children’s Hospital Michigan, Detroit USA. On Air Pollution and allergic disorders. September 4th 2000.
168. Delivered the Annual Guest Lecture of IAP & IMA, Vijayawada Branch on “Urbanization, Air Pollution and its effects on health in children” followed by Dialogue session on Respiratory Diseases on 24-09-2000.
169. Delivered a lecture on “Urbanization and Allergy Problems”, organized by Atomic Energy Retired Officers Association on 2nd October 2000 at Hotel Athithya, Bangalore.
170. Invited as Guest Speaker to the International Conference on Environmental and Occupational Respiratory Diseases 29th October – 2nd November 2000, Lucknow.
171. Invited as Chief Guest, on Annual School Day – Rinku Nursery & New Millennium School, Saturday 16th December 2000, Bangalore.
172. Guest Lecturer on World Asthma Day Programme organized by CIPLA, Saturday 5th May 2001, Bangalore
173. Chairperson, Scientific session, 1st Annual Conference of the Indian Society of Hospital waste Management at NIAS on the 25th of May 2001.
174. Lecture by Dr H.Paramesh on Effect of urbanization, air pollution on health, environment day celebrations, KSRTC, Bangalore on June 6th 2001.
175. Talk on “Persistent Difficult Asthma”, CME, Department of Paediatrics, Command Hospital, Bangalore 10th June 2001.

176. Community Police Meeting – Guest of Honour, Bangalore – 21-06-2001.
177. Lecture on “Urbanization and air pollution – its effects on human health”, Government High School, Sunkenahalli, Bangalore, August 27, 2001.
178. Pulmonary function in office practice, IAP, BPS conference 2001.
179. Causes for persistent difficult asthma in developing countries, September 2001, Beijing, China.
180. Role of pets increasing the prevalence of asthma, September 2001, Beijing, China.
181. Pediatric Asthma, How different from adults, 5th October 2001, Trivandrum,
182. Sneeze, cough, wheeze, tackling childhood allergy 13-14 October 2001, Trivandrum.
183. Respiratory problems in office practice, November 4, 2001, Gangavathi.
184. Chairperson, Scientific Lecture on “Endocrine Evaluation in short and growth hormone therapy” on 13th October 2001 at Hotel Le Meridien. Conducted by Bangalore Endocrine & Diabetes Society (BENDS) with Serum International Ltd & SERONO.
185. Persistent Lung Lesion, Panel Discussion, National Pulmonology Conference NAPCON, 7th November 2001, Mumbai.
186. Pediatric Asthma, Guest lecture NAPCON , 8th Nov 2001, Mumbai.
187. “Epidemiology of Asthma” Guest lecture Asia Pacific Conference on diseases of the chest Mumbai, 30th Nov 2001.
188. Environment and Respiratory diseases in Children, Asia Pacific Conference on diseases of the chest, Mumbai 1st Dec 2001.
189. Chandana TV, Programme on Asthma in urban population 15-01-2002, Bangalore
190. The importance of clinical findings and lab parameters in the diagnosis of pneumonia.
191. Leukotriene receptor antagonists – How will they make a difference in asthma management. Panel discussion , Hotel Leela Palace, Bangalore on Feb 28th 2002.
192. Montelocast in Childhood asthma, Hotel Windsor Manor, Bangalore, March 19th 2002.
193. “Near Drowning – Management” Guest Lecture, IMA East and Lakeside Education Trust, Bangalore, March 20th 2002.
194. Dust mite in childhood asthma and control launched check mite. Hotel Atria, Bangalore, March 30th 2002.
195. Environmental air pollution both outdoor and indoor and preventive measures. Karnataka State Pollution Control Board & Rajiv Gandhi University of Health Sciences, Bangalore, April 12th 2002.
196. “Environmental Pollutants & Asthma in adolescents” – Guest Lecture , 2nd National Conference of IAP Adolescent Pediatrics Chapter, Thiruvananthapuram, 03-08-2002.

197. "Adolescent with Chronic Lung Diseases". State Level Teenage day Celebration, supported by UNICEF, Thiruvanthapuram, 04-08-2002.
198. "Prevention of Asthma and parental counseling", IAP CME, Indore Branch, Indore 15th September 2002.
199. "Long term management of asthma", IAP CME, Indore Branch, Indore 15th September 2002.
200. Guest Lecture – "Adolescent Respiratory Problems", XXI State Conference of IAP, Gadag, Karnataka 4th-6th October 2002.
201. Aeroallergens in Asthma, role of nebulisers. 14th National conference of IAP Respiratory Chapter. 12-13 October 2002, New Delhi.
202. Panelist for "Asthma – Pros and Cons" Debate on selected issues during 14th Pediatric Pulmonology meet and Dr P.N.Taneja Day. October 12-13 2002, Hotel Maurya Sheraton, Delhi
203. Role of NGO's community and Government in Children Environmental Health. WHO workshop 14-15 October 2002, New Delhi.
204. Spectrum and classification of asthma. 2nd State Conference of Chattisgarh. October 18-20, Bilai.
205. Prof. D.S.Dave oration prize. "Evaluation of respiratory disorders" Oct 18-20, Bilai.
206. Address on Indoor Pollution Control to NCC cadets training programme 10th October 2002, bangalore.
207. Guest Speaker – CME (IAP) Coimbatore. GKNM Hospital. Topic – "Diagnosis and Management of Pediatric Asthma – A Bird's eye view. 10th November 2002.
208. Outdoor and indoor pollution and childhood respiratory allergies, Mumbai, January 3rd 2003.
209. "Asthma current diagnosis and management", Goa 19-01-2003.
210. "Prevention of asthma in Children", Goa 19-01-2003.
211. "Evaluation of Respiratory difficulty in children", CME – IAP Surat Branch , 9th March 2003.
212. "Asthma triggers and avoidance measures", CME – IAP Surat Branch, 9th March 2003.
213. "Acute severe (status) asthma in children", CME – IAP Surat Branch , 9th March 2003.
214. Fourth Sir Dorabji Tata Symposium organized by Sir Dorabji Tata Centre for Research in Tropical Disease at the National Science Seminar Complex, Indian Institute of Science Campus – "Evaluation of Respiratory Distress in Children", 10th March 2003.
215. "Our environment & respiratory diseases" – Guest Lecture , IMA – Shimoga, CME Programme, 20th April 2003.

216. “Conservation of Environment in Transport – Safety & IT”- Guest Lecture , World Environment Day Programme, Auditorium, KSRTC, Central Offices, K.H.Road, Bangalore 5th June 2003.
217. “Air Pollution – Current Scenarios, Hazards & Control Measures” – Seminar on air and noise pollution, Hotel Taj Residency, Bangalore, By CII.
218. Environment and Child Health – Guest Lecture – National Pediatric Pulmonology conference, Hyderabad, 9th August 2003.
219. Nestle Nutrition “Indoor Air Quality- Impact on Respiratory Diseases” – Dr H.Paramesh, Sunday 29th August 2004. 7.30 PM. The Residency Avinashi Road, Coimbatore. Nestle India Ltd
220. II Karnataka Health Summit 2004 at API Bhavan Miller Tank BedArea Vasanth Nagar. Organized by private hospitals and Nursing Homes Association (PHANA) Bangalore. Chairman for “Session on Instrumentation”. How far and how much & Guidelines for purchase of equipments” on 5/09/04.
221. Respicon 2004 – Mumbai – Leela Hotel Dr H.Paramesh invited as panelist “Respiratory Problems in Children” 11th, 12th Sep 2004.
222. Workshop – TERI – 10th Sep ‘04
 “Social Indicators of Sustainable Development for India”. Ministry of Environment and Forests”.
223. Karnataka State Pollution Control Board – Technical Presentation on Hybrid Monorail System for Bangalore City”. By M/s METRORAIL INDIA- Dr H.Paramesh attended at Parisara Bhavan, Bangalore.

678. Climate Crisis Awareness Programme. TRAIDS of Environment And Positive Impacts Of Climate Crisis 11.10.2020
679. Allergic Upper Airway Disease: Role Of Antihistamines 110 Yrs Histamine; 80 Yrs Of Antihistamines 20.10.2020
680. Myths and reality Of Covid-19 And The Way Forward– Oct 28th 2020
681. North East Paediatric Allercon – 2020 22nd Nov 2020
682. Predicting Asthma IAP 30.11.2020
683. IAP Allergy National Conference - Guest of honor & felisinated by National IAP Chapter & Invited as guest lecture on Allergy March Can we stop it? 5 & 6th Dec 2020
684. Moderator & Chair for IAP Panelist for Karpedicon 2020 Conference 14.12.2020
685. Given Conclusion for the topic "Outdoor Air Pollution" Indian Institute of Science 19.12.2020
686. W.H.O Survey of Professionals - Awareness on Climate Change on Health: 2020 held in Divecha Center for Climate Change IISc. 23.12.2020
687. Invited Guest for National Respiratory Chapter - Indoor Air Pollution Nowhere to hide, the lurking hazards in our home. 24.12.2020.
688. Docmode Health Technologies : E-CME Activity Cough Profiling & Differential Diagnosis for Sanofi 05.01.2021
689. National Level Cross Talk Meeting : Allergy, Associated Disorders and Their Management " Basics of Epidemiology, Immunology and Allergic Diseases" 17.01.2021
690. Covener for Symposium Pediatric Respiratory Allergy: Imbalance of Homeostatis in Pediatric Respiratory Allergy for NAPCON 29.01.2021
691. Reddy's Laboratory Shared Session on Basics of Epidemiology, Immunology of Allergic Diseases 30.01.2021
692. IISc. Covid-19 Vaccine : Basics and FAQ's 04.02.2021
693. IAP Kanpur Topic : "Logistics in Enhanced Upper Airway Allergy : With Updated Managemant" 20.02.2021
694. Future Earth South Asia DCCC Webinar on "Best Practices: Deliberating on a way forward" 11th & 12th 03.2021
695. "Airborne Infection Prevention & Control Solutions – powered by UVC 254" for Service Master 13.03.201
696. Logistics In Enhanced Upper Airway Allergy : With Updated Management PWS Ghaziabad 14.03.2021
697. IAP Allergy & Immunology Chapter Chennai 21.03.2021
698. Changing Face of Respiratory Diseases Over FOUR Decades 28.03.2021
699. The 2nd Wave of Covid: An Update 29.03.2021
700. Special invite by Ramphal Institute - High Level Virtual Ramphal Institute International Conference on Policies and Strategies for Combating Air Pollution in Commonwealth Countries 30-31st .03.2021
701. 4th International Conference on Childhood Allergies (ICCA) Key Note Talk– New Delhi 3.04.2021
702. Health Benefits of Covid Vaccine IISc. 16.04.2021
703. Deccan College of Medical Sciences (CME) “Allergic Diseases- Diagnosis and Treatment” Need of the Hour April 17th 2021 - Hyderabad 17.04.2021
704. Mother Earth Day Celebration - IAP Environmental Chapter Topic -How To Mitigate Air

- Pollution 23.04.2021
705. Omnicuris CME Covid-19 Infections 2nd Wave and Vaccine FAQ's 24.04.2021
 706. Rotary Bangalore Central - Topic: Covid-19 Pandemic Current Scenario / Vaccines & FAQ's 05.05.2021
 707. Elmeasure India Private Limited - Topic: Covid-19 Pandemic Current Scenario / Vaccines & FAQ's 19.05.2021
 708. Rotary GAAD Seminar - Topic: Access Friendly Spaces That Are Environment Friendly And Green Too 29.05.2021
 709. IAP Respiratory Chapter Karnataka 03.06.2021
 710. Management of Asthma in children during Covid-19 pandemic 09.06.2021
 711. World Environment Day : Ecosystem Restoration IAP – ECHG : “Together We Can Restore From Air Pollution” 15.06.2021
 712. IAP National Respiratory Chapter Topic: Panel Discussion: Preserving Respiratory Health of Children from Environmental Impact in Current Times: Way Forward 19.6.2021
 713. World Environment Day : Ecosystem Restoration DCCC IISc. / COMHAD / LET – Topic: “The Need for Ecosystem Restoration” 24.06.2021
 714. IAP Allergy Immunology Chapter Karnataka - Topic: “Outdoor Air Pollution on Children Health” 25.06.2021
 715. Rotary Club Bangalore - Topic: Positive Pulse Of The Pandemic Just Speak 26.06.2021
 716. Expert Invite for CADE Module Workshop - Childhood Allergic Diseases Education Module 27.06.2021
 717. IAP - Topic: Impact Of COVID-19 In Childhood Allergy Management 10.07.2021
 718. ICAAI Allergy Asthma Chat - Topic: Impact of Nutritional Environment on Airway Allergies 14.07.2021
 719. Role of Aeroallergens in Clinical Practice in Management of Paediatric Allergic Disorders - PAAI Rajasthan 23.07.2021
 720. Monthly Seminar - DCCC IISc. / COMHAD / LET - Topic: “Desired Environment Changes In Prevention & Control Of Liver Diseases” 29.07.2021
 721. Sanofi - Topic: PLAN PREPARE PROTECT For the Third Wave Covid-19 30.07.2021
 722. Kerala State Convention - ALLERGEN VICON Topic: “Air Pollution Impact on Children” Aug 8th 2021
 723. CIPLA - Topic: Pediatric Cough Aug 11th 2021
 724. Times Of India - Topic: Construction of Chek Dam in Western Ghats & Its Impact Aug 16th 2021
 725. DOCMODE - Topic: Clinical Perspectives On Cough Sounds Aug 19th 2021
 726. IAP National Respiratory Chapter CME - Topic: Discover Upper Airway : Sneezing- Not So Uncommon Aug 20th 2021
 727. Thermo Fisher Scientific India Pvt. Lts - Topic: Role Of IgE In Allergic Diseases Aug 28th 2021
 728. CADE MODULE IAP " Chronic Urticaria" - Moderator and Expert Commentator Aug 29th 2021
 729. IAP Allergy Immunology Chapter - Felicitator and Expert Commentator Sep 3rd 2021
 730. IAP Action Plan CADE: Indore, Bhopal, Madhya Pradesh Sep 5th 2021
 731. Centre For Chronic Disease Control, New Delhi - Topic: Air Pollution & Child Health Sep 7th 2021
 732. Conference on Air Quality, Water Resources, Energy and Climate Change Organised by The World Academy of Sciences / DCCC IISc. Topic: Impact of Air Pollution / Climate Change And Health Oct 25-27th

733. ICAAAICON Topic: Impact of Respiratory Allergy During Covid-19 Pandemic Oct 29th 2021
734. IAP CADE Module Topic- Air Pollution Dec 4th 2021
735. IPA Webinar Topic: COVID-19 Dec 15th 2021
736. ALLERENVICON Scientific Program Kottayam - COVID and Environment Dec 18th 2021
737. ALLERENVICON Outcomes of COP-26 Glasgow 2021 - Health Issues with Climate Change Dec 19th 2021
738. India International Centre Diamond Jubilee Discussions on Pandemic and Climate Change Topic: Poor Air Quality Impact on Health- Perspective from Clinicians, Public Health Researches & Parents Feb 26th 2022
739. 59th IAP National Convention Noida - Topic: Current Scenario of Allergic Diseases in India March 21st 2022
740. 59th Annual Conference IAP Environmental Chapter -Topic: Outcomes of COP-26 Glasgow 2021 Health Issues with Climate Change March 21st
741. 59th IAP Allergy Immunology Chapter Noida - Topic: Impact of Green House Gases on allergic Airway Ailments March 22nd 2022
742. XLV Indian Social Science Congress – Chennai - Topic: Environment, Energy and Health March 28th 2022
743. NAPCON 23rd Conference - Topic: Current Challenges in Occupational Lung Diseases April 2nd 2022
744. Guest Lecture - V.S Dental College and Hospital - World Health Day Topic: Our Planet; Our Health April 7th 2022
745. Chairing the Session for Future Earth South Asia Webinar Topic: 'Fortifying Health in South Asia: A Focus on Nutrition, Coastal Risk and Urban Heat' April 25th 2022
746. Moderator - IAP: Pediatric Allergy and Applied Immunology Chapter Webinar - Topic: Allergy Epidemic - Fact or Fallacy April 29th 2022
747. Allergy Week 2022 Climate Change : A Global Challenge: Impact on Allergic Diseases INDIAN EXPERT INSIGHTS May 22nd 2022
748. National Asthma Allergy Awareness Month Topic: "Nasal Health in India: Sneezing - Not So Uncommon" May 26th 2022
749. 2nd National Monthly Seminar of Allergy Immunology Chapter of IAP Topic: Impact of Environment / Climate Change in Airway Allergic Diseases May 27th 2022
750. World Environment Day We Have Only One Earth Time To Take Care Of It For Sustenance Of Health And Survival Topic: Healthy Environment for A Healthy Future **Maharani Ammani College** June 5th 2022
751. Future Earth Global Hub-South Asia seminar - Chaired the meeting - Topic: "Embracing Indigenous Knowledge in a Changing Climate A Health Perspective" June 20th 2022
751. 10th Annual National Conference of PAAI July 16th 2022 - NAGPUR Topic: Impact of Environment on Allergic Diseases July 16th 2022
752. Glenmark Majesta teaser video recording Topic: Management of Cough in Pediatric Patients July 20th 2022
753. Expert commentator on Topic: Environmental & Allergic Diseases by IAP National Respiratory Chapter (Bhubaneswar) July 23rd 2022
754. 40th Annual CME Program of Lakeside Education Trust. Co-sponsored by Divecha Center for Climate Change - Topic: "Our Planet; Our Health" July 31st 2022
755. 3rd Annual National Conference – ASTHMACON 2022 Kolkata Aug 7th 2022
Topic: Environmental Factors in Asthma , Topic: Wheezing in Preschool Children:Role of Preventive Therapy
756. IAP - Davangare Pediatric Pulmonology Made easy!!! Topic: COUGH DIAGNOSTIC

DILEMMAS Aug 27th 2022

757. Santhekaduru Shimoga Taluk Topic: Ill effect on planet and Human Health Aug 29th 2022
758. IAP BPS Annual CME - Topic: Climate Change On Health – What Pediatricians Know
A Survey by W.H.O, George Mason University (USA) of IAPans Sept 2-4th 2022
759. dIAP and Environment Group Topic: Life Existence Is At Stake On Earth : What We Can
Do !!! Sept 6th 2022
760. dIAP Webinar Chairing the Session: Topic: Air Pollution, Asthma and Allergies Sept 21st
2022
761. IAP Respiratory Chapter - Chairman and Expert Commentator Topic: Environmental
Issues in the Management of Asthma Sept 30th 2022
762. Future Earth - Planetary Health Annual Meeting 2022 Boston U.S.A Topic: Role of
Health Professionals in Communicating Climate Related Health Risks to Communities: A
South Asia Perspective Oct 11th 2022
763. NIAS - Science Diplomacy Workshop “Healthcare, Climate Change, Energy Solutions &
Disaster Management” – Topic: “Health Care and Science Diplomacy” Oct 18th 2022
764. Expert commentator Karnataka Asthma and Allergy Chapter Topic: Difficult Asthma
Management Oct 21st 2022
765. SRM Institute Of Science And Technology Chennai- 16 Annual Techno Management Fest
– Luminary Addresses: Aarush-22 Topic: Environmental Silent Killer’s Impact on
Mechanics of Our Breathing: Knowledge to Action Oct 29th 2022
766. BMS College of Engineering Bengaluru Topic: “ Impact of Environmental Pollution
Climate Change on Our planet and Humans Health” Nov 5th 2022
767. NAPCON 2022 Prof. Dr. K.J.R Murthy Oration (ICS) Topic: Air Pollution, Climate
Change and Allergic Airway Diseases: A Global Epidemic Nov 10th 2022
768. NAPCON 2022 - Panel Discussion Topic: Symposium On Pediatric Pulmonology Nov 13th
2022
769. BENGALURU TECH SUMMIT Topic: “One Health And Pandemic Prevention” Nov
17th 2022
770. Aristo (Online Live Recording) Topic: EPIDEMIOLOGY OF ASTHMA: A Global
Epidemic Nov 18th 2022
771. Challakere - School Education Programme Topic: “ Impact of Environmental Pollution
Climate Change on Our planet and Humans Health” Nov 29th 2022
772. Aerosol Training Program On Aerosols And Climate Air Quality And Health
Part -1 Topic: Aerosolization, Air Pollution: Impact on Lung Mechanics And
Health Dec 7th 2022
773. Aerosol Training Program On Aerosols And Climate Air Quality And Health
Topic: Aerosolization, Air Pollution: Impact on Lung Mechanics And Health
Dec 8th 2022
774. 3rd Indian National Conference of COMHAD 2022
Topic: “ Epidemiology And Prevention Of Respiratory Handicap” December 17th – 18th
2022
775. Kalaburgi Topic: Peril of Environmental Pollution Climate Change on Our planet and
Humans Health Jan 2nd 2023
776. XLVI Indian Social Science Congress: Plenary Lecture on 75th Years of Swaraj
India - Topic: “Impact of Deepening Ecological Crisis on Survival of Living
species” Trichy January 29th 2023
777. Introductory Training Course On Climate Change and Environment (ITEC) DCCC, IISc
Feb 3rd & 4th 2023
 1. Environmental Pollution and Human Health
 2. Water Pollution from Biological Factors

3. Communication Skills in Death and Dying
778. New Delhi **MEET OF THE MOUNTAIN STATES Topic: “ONE HEALTH : GLOBAL PERSPECTIVE” March 23rd , 24th 2023-06-24**
