

Climate Change and Forests

Lecture – 5

Challenges in Forest Management – A Case study of Coorg

Shri. Manoj kumar

Principal Secretary to Government, Forest, Environment & Ecology Department,
Karnataka Government

ABOUT THE SERIES

The lecture series is envisioned as a sustained knowledge-sharing and dialogue platform focusing on emerging scientific insights, policy challenges, and on-ground management strategies related to forests and climate change, with particular relevance to Karnataka and other forested landscapes of India. The series will be held on the second Thursday of every month, and will bring together forest officers, researchers, academicians, and practitioners to foster informed discussions and capacity building.

September 10th, 2026
16:00 PM – 17:00 PM (IST)

Venue: Divecha Centre for Climate Change,
IISc, Bengaluru – 12
